

# Buy a chair plaque in memory

## Have your beloved's name cast in memory

### £50 minimum donation

Each chair plus plaque costs us nearer to £100, so please donate as much as you can.

The 'sponsored' chair stays in the church but you get the pleasure of knowing your loved one has a presence every day in our newly refurbished building.

The plaque will be engraved with a name, as in the picture. Only one name per plaque.

All plaques will be engraved together to reduce costs. Please return your form as soon as possible, then the sooner we will have the plaques on the chairs.

**We only have 120 to sell - first come, first served—don't delay!**
